Pastor's Letter

Dear Friends,

What an incredible gift we have to worship the Lord together. April was delightful as we worshiped the resurrected Christ together. We are Easter people, and it is a blessing! This past Sunday we served alongside of each other in people's yards, in the care center, tying blankets, in the church, etc. Thank you for every faithful member who participated with us! It was a great honor to do yard work for another, and to work alongside one another.

As we enter May we will be starting a new sermon series on Faithfulness. We are going to spend our time primarily in Hebrews 11. This chapter is a list of people who responded to God in faith in different situations. In each story and each situation we will look to find God's faithfulness along with the faithful responses of the people. These are all stories we can learn from, they are stories of real people in real places with real relationships that we can relate to. We will do just that. We will look to God's faithfulness in the here and now, along with God's faithfulness in years long before we existed.

Due to the developments in the United Methodist Church, and the conflict we face regarding human sexuality, this is a wonderful time to focus on the Faithfulness of God. This past Friday the Judicial Council's rulings on the items passed at the special general conference were offered to us. You can find them here: <u>https://www.umnews.org/en/news/court-oks-part-of-traditionalplan-exit-plan</u>. Although there are a few parts of the traditional plan that have been declared as unconstitutional, the plan in and of itself is constitutional, as is the exit plan. There is a path for clergy and churches to exit the denomination.

There are a great deal of viewpoints that surround these decisions. This is where we are conflicted. There are people who believe this to be a terrible mistake, one that harms people, and feels that the church is no longer welcoming to a certain group of people. There are many in our congregation that feel this way. There are others like myself who believe that all people are of sacred worth, and that these decisions are to be standing true with scripture for the best way to live life, and encourage folks to live into the holiness that God offers beginning with the justification of our faith. There are others in our congregation that agree with this. There are also many that fall somewhere in between. Our church council will be meeting on May 9th to discuss these decisions in more detail.

Hebrews 11:1 says: "Faith is the reality of what we hope for, the proof of what we don't see." (CEB) In the midst of this time of conflict let's lean into our faith. Let's run with perseverance the race marked out for us. Let us not become weary in doing good, but let's stand firm in our faith, looking to Jesus as our way, our truth, and our life. In the midst of this time of trouble, let us rejoice in hope, and let us look to the faithfulness of our God, and of one another. Let us not give up in meeting together, in worshipping together, and in fellowshipping with one another. Let us hold fast to our Lord and our God.

Let's take a deeper look together.

How will you respond?

United Methodist Church of Mount Vernon- May Sermon Series

Our May and June Sermon series will center around Hebrews 11:1 says, "Faith is the reality of what we hope for, the proof of what we don't see." (CEB)

When life gets you down, and it's hard to see outside of ourselves, the best place to go is to look to find the goodness of God. So often that is found in faithfulness. Maybe you are thinking, life is really great for me right now. Wonderful! Let me point you to Jesus to help us to always remember to keep our gaze fixed on Christ alone.

This may we are going to spend our time primarily in Hebrews 11. This chapter is a list of people who responded to God in faith in different situations. In each story and each situation we will look to see God's faithfulness along with the faithful responses of the people. These are all stories we can learn from, they are stories of real people in real places with real relationships that we can relate to. We will do just that. We will look to God's faithfulness in the here and now, along with God's faithfulness in years long before we existed. The sermon titles and topics are following:

Faithfulness through the word, faithfulness through sacrifice, faithfulness in trying to please God, Faithfulness with Godly fear, Faithfulness in obedience, faithfulness in changing the impossible into the possible, faithfulness in offering, Faithfulness in blessing. Please join us! And... bring a friend too!

DID YOU KNOW?....

Methodism in Iowa goes back to 1834. At that time, 80% of the state was groves and prairie. Ten years before, through a treaty with the Black Hawk Indians, this territory was opened up for settlement.

There was a rush of immigrants coming across the Mississippi River and a trail marked from Dubuque to Iowa City, one settlement to another. This trail came through Mount Vernon and crossed the river at Ivanhoe.

In 1834, the first Methodist Society and Sunday School in Iowa was formed in Dubuque. "Iowa" became a territory in 1938 and in 1839 Iowa City became the capitol of the territo-

ry called "Iowa".

In 1846, Iowa became a state. At that time, the major controversy was over what states would be "free" and what states would be "slave". By a plurality of only 544 votes, Iowa became a "free" state This was before the Civil War in 1865.

The trail through this part of the state became the avenue for the Circuit Riders who brought the word of God to the faithful, stopping at various "stations" along the way.

(Stay tuned in the next "Circuit Rider" to learn more about this vibrant history of Mount Vernon and Methodism).

Mental Health Awareness- Building a community of support

Mental health is essential to everyone's overall health and well-being, and mental illnesses are common and treatable. So much of what we do physically impacts us mentally – it's important to pay attention to both your physical health and your mental health, which can help you achieve overall wellness and set you on a path to recovery. Did you know that Mental Health America (MHA) founded May is Mental Health Month back in 1949? That means this year marks MHA's 70th year celebrating Mental Health Month! This May, we want to start discussions on this and later this year, United Methodist Church of Mount Vernon will be sponsoring a community event to help raise awareness about mental health, and we hope you will take time to have conversation about this topic starting this month.

A healthy lifestyle can help to prevent the onset or worsening of mental health conditions, as well as chronic conditions like heart disease, diabetes, and obesity. It can also help people recover from these conditions. For those dealing with a chronic health condition and the people who care for them, it can be especially important to focus on mental health. When dealing with dueling diagnoses, focusing on both physical and mental health concerns can be daunting – but critically important in achieving overall wellness. There are things you can do that may help. Finding a reason to laugh, going for a walk with a friend, meditating, playing with a pet, or working from home once a week can go a long way in making you both physically and mentally healthy. The company of animals – whether as pets or service animals— can have a profound impact on a person's quality of life and ability to recover from illnesses. A pet can be a source of comfort and can help us to live mentally healthier lives. And whether you attend church, take time to meditate, or simply find time to enjoy that cup of coffee or tea while checking in with yourself – it can be important to connect with your spiritual side in order to find that mind-body connection.

United Methodist Church of Mount Vernon wants everyone to know that mental illnesses are real, and recovery is always the goal. Living a healthy lifestyle may not be easy but can be achieved by gradually making small changes and building on those successes. Finding the balance between work and play, the ups and downs of life, physical health and mental health, can help you on the path of life.
